new facilities . . .

Under the tall pines the new red brick buildings rise. The sound of hammers, saws, and drills, the presence of concrete mixers, cranes, and crews of workmen have become a daily part of the Pembroke scene. The campus has grown from five buildings in 1950 to more than twenty in 1968 with others already on the drawing boards. Business and English classes moved into the new Business Administration building, on the left, in March. The new Science building and the new Mary Livermore library have been in use since 1967. Pembroke State College is reaching to meet the demands of a student population that has grown more than 400 per cent in the past ten years.

MARY LIVERMORE LIBRARY

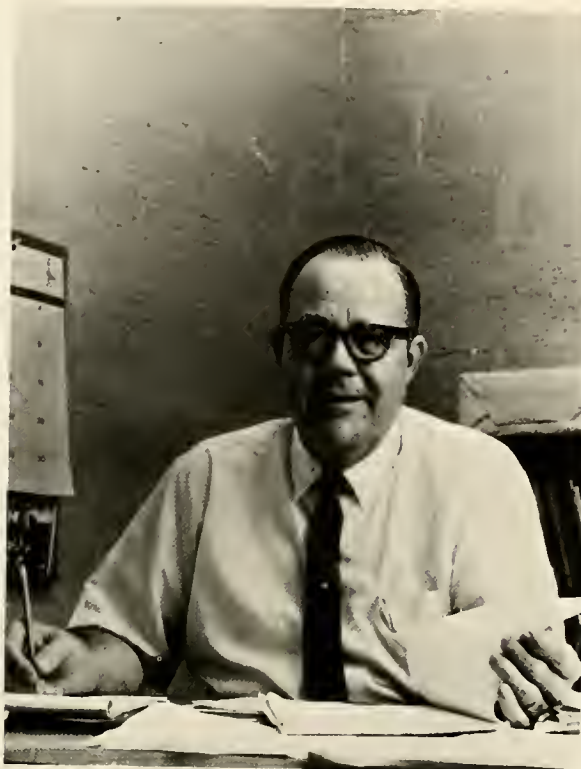

responsive direction . . .

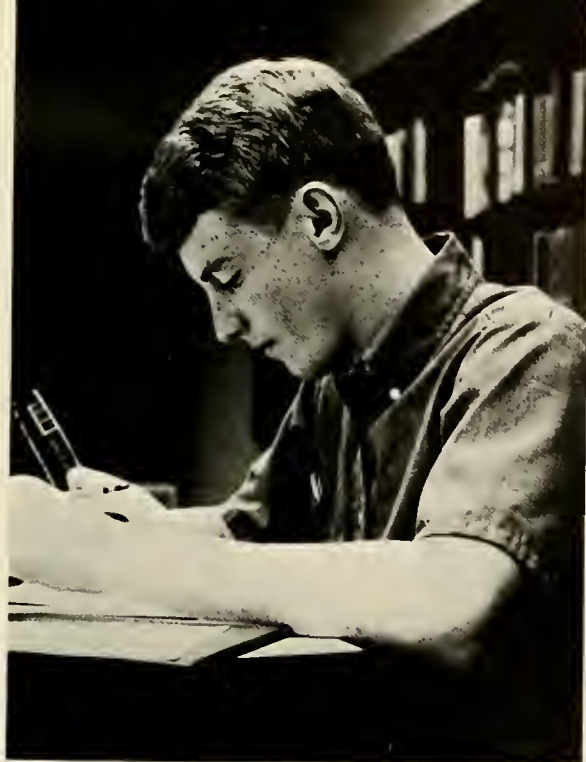

Board of Trustees: L. to R., Herman Dial, Harry W. Locklear, Robert Burns, Raymond Mallard, Business Manager; William Mason, Kenneth Kersh Dean of the College, Hal W. Little, President; English Jones, Zeb A. Lowry, William E. Britt, Purnell Swett, R.D. McMillan, Elmer Lowry.

Responsiveness to need is a mark of academic responsibility. Meeting the requirements of a varied group of students, as well as the expectations of a wide area for educational leadership and opportunity, is the task of college leadership. The Board of Trustees represents the moral, economic, and political support of the region and is responsible for establishing basic policies. President English E. Jones, effective advocate of the Pembroke cause at home and away, has enabled the college to reach long-range goals and to formulate new ones based on sound planning. Dr. Kenneth Kersh, dean of the faculty, and Dr. Richard C. Pisano, associate dean, provide vigorous and encouraging academic direction. For students, however, a well-trained faculty furnishes the essential stimulus to reach new levels of achievement.

intellectual emphasis . . .

While providing the tools and the environment for learning, PSC puts the emphasis not only on growing knowledge, but also on strengthening intellectual purpose. For example, academic success is a requirement for college marshals, members of student-faculty committees, and other positions of honor and responsibility. The new Mary Livermore Library, warehouse of knowledge, has more than 50,000 volumes, 327 magazines, three microfilm readers, and up-to date audio-visual facilities in air-conditioned, brightly lighted, handsomely furnished surroundings. Excellent new science laboratories and classrooms encourage the exploration of the physical world. The books, the equipment, the guidance of interested teachers, and the leadership of good students combine to make a favorable environment for reaching the goal of intellectual enrichment.

Competitive Sports . . .

Each year PSC produces winning teams in many sports. The 1968 cross-country team upset Wake Forest and Davidson among others. With eleven wins, two losses they stole the N.A.I.A. District 29 championship from Lynchburg. The 1967-68 track team with a record of eight wins, two losses were runners-up to Catawba College in the N.A.I.A. District 26 tournament. With a record of nine wins, three losses PSC's 1968 soccer team produced three All-American candidates after having upset East Carolina, Davidson, and Methodist College. The 1967-68 basketball team ran away with several tournament trophies last year. With a record of twenty wins, nine losses the team finished second in the district. The baseball team which finished with a record of twenty-eight wins, seven losses and produced two All-American players, sent many large colleges and universities down to defeat. Indeed, PSC's Braves consistently reach high levels of excellence in competitive sports.

student participation . . .

At Pembroke State the student activist is the student involved in constructive work. Student government committees wrestle with the problems of living in a college community. Art students hold an annual art auction to provide a scholarship for a talented prospective student and sponsor a state-wide high school art contest. In more than thirty special interest groups, students work and play. The natural science club makes field trips to observe marine life at Beaufort. The Young Democrats and Young Republicans journey by the busload to hear presidential candidates. The religious unions discuss pertinent world issues. The Pembroke Players, the Swingers and Singers, and the college band share their talents in spirited campus performances and tour in ever widening circles as PSC's reputation reaches greater audiences.

*for its
expanding student
enrollment.*

In the past ten years Pembroke State College has become one of the fastest growing colleges in North Carolina, increasing from 345 students in 1958, to 933 in 1963, to 1,564 in 1968. Although more than half of the students commute from a radius of fifty miles, the outreach of the college extends to 61 counties and 17 states, including New York, New Jersey, Pennsylvania, Virginia, and Massachusetts. Students also come from the Canal Zone and Australia. A growing number of mature men and women return with renewed zest and sense of purpose to complete an interrupted education. Reaching far afield across a wide spectrum of backgrounds and interests, but never losing its touch with southeastern North Carolina, PSC offers a basis for developing lively appreciation, critical judgment, and growing concern in a changing world.

Dedication

Dr. Johnson concentrates on soccer: practice and theory.

"You are all just like my children to me," says the man to whom we dedicate the **1969 Indianhead**, Dr. Kenneth Johnson. He is characterized by an ever active mind, a quick wit, and a genuine concern for his students. Dr. Johnson has, for the past five years at PSC, challenged those in his classes to think, to make decisions, and, thereby, to learn.

Educator, loyal member of the college family, and friend, we dedicate the **1969 Indianhead** to you.

ACADEMICS

The President

Pembroke students, for whom the College exists and on whose education all its resources are focussed, are today both like and unlike those of the first 80 years.

College trustees, administration, and faculty are keenly aware of both the similarities and the differences, and of the need for understanding in dealing with student needs and student life.

The emphasis must be, as it has been, on providing the maximum educational opportunity for every student. To this end, a strong faculty has been assembled, better buildings and equipment have been provided, and broader, deeper curriculums are being offered.

All this is being done with an awareness of the ferment in student life and attitudes which exists everywhere, Pembroke being no exception. Every possible effort is being exerted to keep open lines of communication with students and to meet, whenever possible, their legitimate and proper requests.

Many steps are being taken to assure students the opportunity to express and receive consideration for their views. Seminars with student leaders have been held before the opening of each session. The President's office and offices of his colleagues are open to individual students and student groups. A college-wide committee comprising representation from students, faculty, and administration has been established to consider matters of interest to all.

Through these and other methods the College is determined to meet the real needs and aspirations of its students.

In Memoriam

Crossing the Bar

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea.

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless
deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For though from out our bourne of Time and
Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.
— Alfred Tennyson

A warmth of friendliness, a devotion to duty, a genuine concern for others, an understanding tolerance, an efficient and effective manner—these marked Miss **Marjorie Kanable** as college librarian and friend to all at Pembroke State College. In her span of years, crowded with good works and loving concern, surged the quiet power of her cooperative spirit and understanding patience. Pembroke State College will long feel the benediction of this life well lived.

Indianhead

The **Indianhead** staff has worked many long and tedious hours to put together a book that can be cherished by the members of the student body. Our college has grown extensively during the past year, and we have endeavored to organize in this book all the new as well as the old facets of our campus life. Since PSC is ever reaching toward a higher level of excellence, only the students of 1968-69 will know Pembroke State as it is now. We hope that this 24th volume of the **Indianhead** is one that will always bring back fond memories of PSC 1968-69.

Basketball

The Brave's basketball team has established itself, over the past few years, as a team not to be taken lightly. Under the leadership of Coach Lacey Gane the P.S.C. cagers have earned the reputation of being strong contenders despite losing former All-District Joe Gallagher.

The remainder of the team returned for another successful year. Most prominent among the returnees is Carl Peed, a six-foot senior from Hamlet, N.C. serving as captain for this year's team. Through most of this season, Peed has led the Braves in scoring while playing all three positions.

Other returning veterans include Barry Hopkins, an excellent outside shooter; Jimmy Gambardella, a 5'9" guard whose hustle and desire have propelled the team to numerous victories; Kent Sampson, who suffered a broken foot last year, but who has come along nicely this season; Wiley Barrett, a fine shooter; and Charlie Sarelakos, an excellent outside shooting guard. Also returning are Gary Whitman, Gary Locklear, Bob Willeford and Joel Goins.

The Braves were helped considerably the first semester by freshman Joe Howard. During that time, he was the team's top rebounder.

Cross Country

The 1968 cross-country team finished the regular season with 11 wins and 2 losses. Wins came over High Point, Davidson, and Wake Forest. The Braves proved to be the top small college team in N.C. with a seventh place finish in the state meet. P.S.C.'s track team stole the N.A.I.A. District 29 championship from Lynchburg.

Freshman Marty Beeson ran to the top position on the cross-country team and to a first place finish in District 29. Sophomore Jimmy Cox made an amazing dash to the number two position and a second place finish in District 29. The Braves were paced by six freshmen, two sophomores, and one senior. The future should be very promising for the hill-and-dale men.

The 1968 Track team ended the regular season with a record of eight wins and two losses. Wins came over Davidson and High Point. The Braves were runners-up to Catawba College in the N.A.I.A. District 26 meet. The 1969 track team has nine returning lettermen. Pat Hillard, District 26 record holder of the high jump and triple jump; Billy Cranfield, N.C.A. A.U. pole vault champion; Jay Wilhelm, 1967 N.A.I.A. District 26 Most Valuable Trackman; Stan Foster, district champion in the sprints and 440-yard hurdles; Charles Little, district champion in the 880-yard run; Danny Weaver, district champion in the 120 high hurdles; and Clarence Lucas, district champion discus thrower; are returning to the 1969 track team. These boys plus other promising trackmen aspire to put Pembroke State in the number one position again.

Coach Crain's coaching career is proving to be highly successful at Pembroke State. He led his trackmen to a three-year record of 21 victories and five defeats. His harriers have posted a two-season mark of 22 wins and 3 defeats. For his coaching ability Coach Crain was named "Coach of the Year" for track in District 29 and Area 7 in 1967. He was also named "Coach of the Year" for cross-country for District 29 in 1968. Crain's favorite war cry is "We love it; make it hurt!"

Dennis Knott intercepts a pass as Larry Kelly stands ready to assist

Fullback George Hadden fakes out the opposition with the Teaberry Shuffle

The team's record for the 1968-69 season was nine wins and three losses. Having upset among others East Carolina, Davidson, Baptist, Campbell, Wesleyan, Guilford, and Methodist the team missed an N.A.I.A. playoff berth by one loss. Seniors Ihor Lukiw, Bucky Horn, and Anker Bell were All-American candidates this year and were standouts all season. In addition, Bucky Horn received the outstanding honor of being selected as an All-Southern soccer player. Ihor Lukiw was the season's high scorer with twelve goals. The team's best effort was the upset win at Campbell College. Next year's prospects are good with many returning lettermen.

Wrestling

The Pembroke State wrestling team opened their season on December 6 in a match at Pfeiffer. Coach Harold Ellen, in his first season as head wrestling coach, and student assistant Bill Sankey have nine squad members. The team's co-captains are junior Terry Trafton and sophomore Billy Cranfield. Trafton, Cranfield, and Dave Denton are the team's only returning letter-winners. Even though many members of the team were previously inexperienced, the team has compiled a record of six wins and three losses this year.

Tennis

The tennis team is looking forward to another successful season this spring under the able leadership of Dr. Kenneth Johnson. Lost from last year's team are Ray Goldberg and Bruce Cook. However, such lettermen as Ihor Lukiw, Charles Spiron, Johnny Merritt, and Richard Stang will carry on the winning tradition which "Doc's" teams are noted for. In addition to these veterans, such newcomers as Charles Saralacos and Bobby Dail are excellent assets to the team.

Coach Johnson is very enthusiastic about this year's team. He feels that with the proper attitude and team effort, this year's team can win the N.A.I.A. tournament.

Charlie Spiron exhibits the forearm which has helped him win numerous matches the past two years

Rick Stang prepares to launch his second season of varsity tennis competition

Johnny Merritt, returning letterman, has his sights set on a district championship

Golf

This year's golf team, as always, has an abundance of talent. The team has some returning lettermen and several newcomers. Veterans Wiley Barrett and Tim Madaris anchor a team which should give any other team in the district a fierce battle. Valuable additions to this year's team are Aubrey Apple, Thomas Garner, and Jim Shutt. Coach Lacy Gane feels that this year's team is very capable of giving the same kind of outstanding performance that last year's gave.

Tim McDaris, Aubrey Apple, and Tom Garner

Sossamon tears up league

The Pembroke State College Bowling League, which plays at Varsity Lanes in Lumberton, consists of six teams. One of the teams called "The Profs" includes Dr. Kenneth Johnson, tennis and soccer coach who owns a 162 average; Dave Strickland, 160; Gerald Parker, assistant professor of education, 151; student Larry Calloway, 122; Col. Frederick Weber, college counselor, 120; and Jim Sossamon, 186.

Sossamon is an outstanding student bowler. His highest game came in open bowling last summer when he soared to a 287. His top accomplishment in tournament bowling came three years ago when he finished third in the Southeastern Bowling Tournament at Charlotte.

Intramurals

Members of basketball team: L. to R., First Row: Allene Anderson, Jeanie Hayes, Pam Scott, Nancy Spell, Delia Sellars Second Row:

Cathy Pollock, Linda Behrens, Jennifer Seago, Sara Crain, Marilyn Stone, Donna McCrav, Bettv Langlev

This year the **girls** intramurals consist of jogging and basketball. The jogging club is a new sports activity for the girls here at PSC, but they have thoroughly enjoyed their initial season of it. The second phase of women's participation came about when Miss Ann Webb organized PSC's first woman

basketball team. Both coach and players participated with the true brave spirit. Hats off to Miss Webb in her endeavor to make this program a successful one. In addition, in the spring the girls are able to participate in baseball and tennis intramural programs.

I see you're practicing your judo, Jimmy

Come on, I'll take all of you

Faculty advisor to the men's intramural program, Dr. Franklin Langsner, and student directors, Ronnie Collins and Warren Moore, started the fall season with flag football in which a team called the "Impossibles" landed the championship. During the winter two of the intramural basketball teams, the Keystone Kids and the S.O.B., were so highly regarded that they played a preliminary to our last regular basketball game. The Keystone Kids won 78 to 72. When winter turned to spring, the clatter of iron and the popping of leather meant that horseshoes and softball which attracted many participants were in season.

Look out! I'm coming through

We've just got to make it to that goal post this time

This is no time for ballet, Danny

Concluding . . .

a year of reaching toward high purposes
we remember

students disciplined by mental and physical
involvement

an academic community growing in common
purpose

traditions honored and excellence recognized

Things go better with Coke

Well, you could enlist

I knew the Republicans could do it

We warned you about coming in late

And then there was the time I was marooned on that south sea island with Raquel Welch

Smile! You're candid camera

Geddie, the snake medicine man

No, I can't wait until lunch

My grades couldn't have been that bad

Females take over

Look Mom, no cavities

I haven't given up yet

I didn't sleep at all last night

O.K. guys, place your bets

Well, that's one way to relax

I'll just wait here outside Wellons Hall. After all, he has to come out again sometime

It never rains on sophomores

I saw her first

Dimmed campus lights,
Two people holding hands,
Night time magic.

Yea! Old PSC

Shadows on the campus walk,
Final exams are over.
Reach for the stars.

Thank you . . .

to Mrs. Grace Gibson for your endless patience, guidance, and encouragement to the **Indianhead** staff for your many, many hours of untiring work, and especially for your cooperation to Johnny Pfeiffer, Boyd Belcher, and Mr. Elmer Hunt for your long hours spent developing pictures to Mr. James Chavis, Dr. Marshall Treiber for your kind assistance to Mr. Ed Goldston and Hunter Publishing Company for your easy accessibility and for your guidance and finally, thanks to the administration, faculty, and student body for your tremendous support of the **1969 Indianhead**.
